SKILL/COMPETENCE BASED EDUCATION

Rethinking competences

National Goals for Basic Education and Transversal Competences

- knowledge
- skills
- values
- attitudes
- will

- Phenomenon-based learning
- Formative assessment
- Autonomous students
- Learning „outside” and outside the classroom
- Team teaching

- Three volunteers who will present their problem
- Join the person you can relate to
- The volunteers mustn't talk

- STEP 1 – the first group brainstorms ideas on how to solve the problem (just brainstorm, don't explain)

- STEP 2 – the second group finds the best solution based on the first group's ideas

- STEP 3 – the last group thinks of the impact the solution might have
