

# **STUDENT – CENTERED CLASSROOM: TEACHERS AS PROMOTERS OF ACTIVE LEARNING**

**Mira Petrović**

# STUDENT – CENTRED APPROACHES?

- Students ask themselves why
- Creativity
- Activities provoke emotions
- Students construct their own knowledge
- Need for an actual, relevant context
- Teamwork and discussion
- Breaking the comfort zone
- Students are active
- Teachers take into account their interests and expectations
- Projects...

## WHAT ABOUT YOUR TEACHING APPROACH RELATED TO KEY COMPETENCES?

*TO WHAT EXTENT DOES YOUR TEACHING ALREADY  
INVOLVE A KEY COMPETENCE APPROACH?*

- Task-based
- Interdisciplinary
- Collaborative and individualized
- Learner- and teacher- led
- Technologically innovative
- Take place both inside and outside of school
- Involve collaboration with the wider community
- Pay attention to the social and emotional aspects of learning
- Student self-assessment of transversal skills

- Task –based learning
- Project – based learning
- Flipped classroom?
